

SLIDING SCALE INFORMATION

QueerDoc offers sliding scale payment for services. Sliding scale allows you to pay what you feel comfortable affording. QueerDoc does not accept insurance. This is why we can provide care the way we do. We accept payment at the time of your visit with a debit, credit, or HSA/FSA card. Your insurance company may offer out-of-network reimbursement to you depending on your plan. You will be provided with a superbill and receipt which you can submit to your insurance company for reimbursement. Alternatively, you can use Reimbursify (<https://reimbursify.com/>) to easily submit your claims from your smartphone. Your prescriptions and labs can be billed to your insurance and coverage will be based on your individual plan (please call your insurance customer service to get estimated costs).

Who is eligible?

- Everyone

How do I apply?

- Notify us at the time of your appointment what you would like to pay in the range
- No income reporting required
